

Welcome to Roseville Lutheran Church Preschool!

We are excited that you will be joining us at our preschool! We are so glad that you want your child to come make new friends and learn through play at RLC Preschool!

Our licensed preschool believes preschool age children will benefit greatly from a Christian based program that is comprehensive, integrated, and developmentally appropriate. As educators, we believe that through play children learn what no one can teach them. Research has shown that play encourages divergent thinking, which will help our children solve problems. Academically, play is the cornerstone of all future learning because it emphasizes the process not the product. Our preschool will provide many enjoyable opportunities to learn through play so that the children can attain competence and experience joy!

Our quality and qualified staff not only provide opportunities for play, but share God's love by caring for our students and fostering meaningful relationships with the families. Always feel free to chat with the teachers about joys and concerns about your child. They love to listen and support you the best they can.

We also recognize that parents/guardians are a child's first teacher. Knowing this, we provide opportunities for parents/guardians to participate in the classroom. As school begins, you will be able to sign up to volunteer as well as fill out a form of your talents you could possibly share.

We offer 3 programs for our 3 and 4 year olds: 2-day (T/Th), 3-day (M/W/F) and 5-day (M-F) Please mark the days you want your child to attend on the registration form. Please return this form promptly with your \$50 registration fee (non-refundable).

The remaining required forms are due by Preschool Orientation (Aug. 28-31) for your child to start preschool: Emergency Form, Health Summary, and Immunization Form.

Again, we appreciate you choosing RLC Preschool! We look forward to getting to know you.

If you have any questions, please call or email.

Thanks,
